

## Product Information

<b>Name</b>	alpha-synuclein antigen
<b>Catalog #</b>	2059
<b>Species</b>	Human
<b>Product Description</b>	Recombinant protein produced by <i>in vitro</i> mammalian cell culture free from animal-derived components
<b>Uniprot ID</b>	P37840
<b>Expression Fragment</b>	Full length
<b>AA. Residues No.</b>	2-140aa.
<b>Predicted MW</b>	14kDa
<b>Actual MW</b>	14kDa
<b>Modification</b>	Substitution A76P
<b>Tag</b>	A his and a pro-stability tag (~17kDa)
<b>Solution</b>	Referred to CoA
<b>Appearance</b>	Clear, transparent liquid, colorless or slightly yellow
<b>Storage</b>	2-8°C for 3 days, -20°C for long-term storage, avoid multiple freeze-thaw cycles
<b>Purity</b>	85%
<b>Concentration</b>	Referred to CoA
<b>Lot #</b>	_____
<b>References</b>
